

GREENWOOD NEWLETTER

SEPTEMBER 2012

Drug Take Back – The Town of Greenwood will once again participate in the Drug Enforcement Administration scheduled **National Prescription Drug Take-Back Day**. The drug take-back is from 10:00 am – 2:00 pm on Saturday September 29, 2012 at Town Hall. This is a great opportunity for those who missed the previous events, or who have subsequently accumulated unwanted, unused prescription drugs, to safely dispose of those medications.

Yard Waste – Effective March 29, 2012 Waste Management will no longer provide yard waste service, due to lack of interest by Town residents. Yard waste may be taken to either Ellendale 302-422-8632 or Bridgeville (Wednesday and Saturday only) 302-337-3521. Please call them for specifics.

Grass Ordinance – The Town of Greenwood has a grass ordinance. Anything in excess of 8 inches in height will cause you to receive a notice about cutting your grass. Then if it is not cut within the required time the Town will cut it and bill you for the cost. Also please do not blow your grass clippings into the street. These clippings can find their way into the storm drains and can cause flooding in all areas of the Town by causing blockages in the drains.

Delinquent Properties – Property Taxes, Water Sewer and Trash Bills and other charges are due to the Town of Greenwood in a timely manner. Please see to it that you pay your bills so the Town can pay theirs or we may have to take other actions.

Water Conservation Tips – In an effort to help the residents of Greenwood conserve water we will be including a monthly water conservation tip. The tip for August – “When buying new appliances, consider those that offer cycle and load size adjustments. They’re more water and energy efficient.”
